PlantUML Diagram Test

Failed to generate image: Could not load PlantUML. Either require 'asciidoctor-diagram-plantuml' or specify the location of the PlantUML JAR(s) using the 'DIAGRAM_PLANTUML_CLASSPATH' environment variable. Alternatively a PlantUML binary can be provided (plantuml-native in \$PATH).

@startuml

Alice -> Bob: Hello Bob!

Bob --> Alice: Hi Alice!

@enduml

Graphviz Diagram Test
